

Hi Stephanie,

I am sorry to take so long to send this email but we have continued to be crazy busy with family events! Anyway I wanted to take a minute to say thank you again for helping me create a wonderful retirement celebration for my husband. He said it was exactly what he wanted and turned out better than he could have wished. In addition all of our guests raved about what a nice party it was! Hopefully this results in repeat business for Rio City! I know I will recommend you and Rio City to anyone looking for a place to celebrate a special occasion.

Please also let the staff know again how much we appreciate the hard work and patience it takes to serve a large group. They did an excellent job especially dealing with interruptions from some of our guests asking for things while they were in the middle of something. They were so kind, courteous and efficient!

Also the hosted valet parking was a hit and went very smoothly. I have received so many compliments from our guests about the party and even received a "thank you" card from one thanking us for including them!! So I wanted to be sure to pass them on to you and your staff. We were so happy with everything from the valet service, to the venue out on the river and how nice it looked with the table clothes and centerpieces, the quality of the food, the service, the very personable staff, and you of course!

I can't say enough positive about our whole experience! Thank you again for everything! Please feel free to forward this to management so they too will know what an excellent job the staff did and how well they represented Rio City Cafe!!! We will definitely be back!

Sincerely,

Kelly Phillips
